

Learn Digital Production Skills

Student-Centered Curriculum

Complete with Outcomes, Objectives, Student Handouts, Quizzes, Classroom Management Program and Broadcast Software.

Across the country, schools rely on our **Digital Production Skills Curriculum** to teach the process of planning, producing, and broadcasting news programs. Students report stories from their schools, districts, and communities, airing them alongside news, sports, and weather anchors for a complete, local newscast. ***Bring the excitement, glamour, and prestige of broadcasting to your school*** with our Digital Production Skills Curriculum, included in our complete **TV/Media Studio Bundle**. Call us today at **1-877-299-6268**. ***Student stardom awaits!***
